California Proposition 65

Statement of Compliance

This statement is in regard to the Safe Drinking Water and Toxic Enforcement Act of 1986, also known as Proposition 65.

GoldRiver Orchards is fully committed to complying with all regulations under Proposition 65. GoldRiver Orchards only processes walnuts; water is not used in the processing of walnuts. No additional preservatives or chemicals are added during processing operations. Furthermore, all water used for sanitation, hand washing, and employee drinking water is tested on a regular basis to ensure that all water used by the facility is of the highest quality and meets all safety standards.
